

Torch mode

You are very close to
EVENT 1!

The Torch Mode will help
you to discover it.

The white light connects
you to the Projection site.

As you go closer the light
will become bigger and the
map will zoom in.

- ★ this is you
- this is the projection site
- this are the users

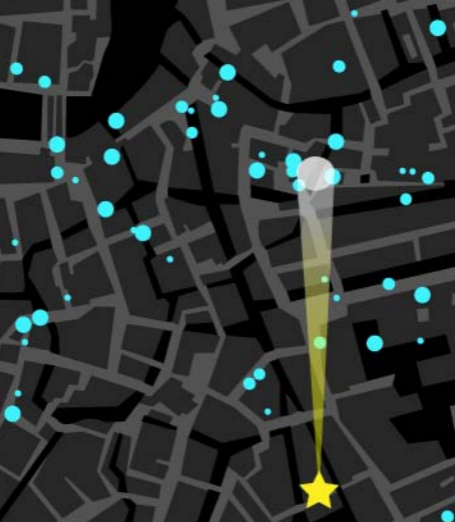

Everytime you can turn off
system by pressing "0" and
return into it from the main
menu.
